BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

On the right, you see the excellent youth group that came from our sending church.

The picture below is of Mimi and me with our son David's in-laws. José Antonio and Susy have a Baptist church plant in southeastern Spain.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

In the picture above, you can make out some of the approximately 100 believers who came to an Aierdi fellowship last month from the three independent Baptist churches in our province. These are one of the rare opportunities they have to fellowship together, so the turnout is always good!

On the left, you see the fine group of youth who came in early July: a mission team from another one of our special supporting churches, Brookside BC in Wisconsin.
