BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

On the right, you can see how Mimi's flute choir has morphed into a small orchestra! One of our ministry goals is to train leaders, and music is one of the areas in which they are desperately needed.

Below is a beautiful sunrise picture our son Danny took at Aierdi a while back.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

Above: Two weeks ago, I had the privilege and pleasure of participating in the ordination of a young man in Madrid. These events are always a wonderful time for fellowship with pastors I rarely get to see.

On the left, you can see the group of pastors and wives who came together for our first encouragement reunion in the central city of Guadalajara. I taught two sessions on Balancing Family and Ministry.
