BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

I'm sure everyone reading this has also been affected by the COVID19 crisis. Here in Spain, we are gradually emerging from 8 weeks of lockdown. God has opened up numerous ministries as we've adapted to the unusual conditions. These pics are all CV19 special, for one reason or another.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

Above are two of our church men I just happened to run into. The two girls are also from our congregation, enjoying their first time outside, after 7 weeks of confinement. To the left is our granddaughter, Clara, watching me preach on one of our Youtube services.

Consider going to our website (below) and finding the "Thinking through the Quarantine" series of daily devotionals I produced, 38 total. I hope they are a blessing.
