BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

On August 24th, Mom Allen went to be with the Lord after a long period of physical and mental decline. But in it all, God was very kind to the family and allowed Mimi and her two sisters to be with Dad when she passed on. On the right, a picture of the five from a few years ago.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

On Sept 6th, we had our first in-person Sunday AM service in 25 weeks! I only had chairs set up for about 25, but believers kept coming until there were over 60. We had quite the challenge to keep everything within COVID19 regulations. The building work is still not finished, so we will wait on continuing in-person meetings for a few more weeks. However, the Sunday morning service was wonderful and beautiful confirmation that God has continued to work in His congregation during the pandemic.
