BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Our Christmas season was quite conditioned by the COVID restrictions here, but we were at least able to be together twice for meals.

The church building work is finally finished. In the pictures you can see the auditorium level from the pulpit and the second floor with the new classrooms.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through the website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

The Paz en el Corazón salvation booklet has finally been published and Spanish churches have already started ordering some for their congregations to be able to give out. The title translates as **Peace in the Heart** and tells the story of Nicodemus. It includes a very clear Gospel explanation for the unsaved reader. I hope to have the English version published in a few months. The Spanish book is available on Amazon or in bulk through me personally and has a website for the spiritual seeker to find more resources.

Here's a website for it: www.pazenelcorazon.org
