BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

In early October, I visited Mom & Dad before heading to Greenville to meet up with Mimi and travel to supporting churches.

We have had a wonderful time with our family here in the States.

In the last six weeks, we have visited with pastors and friends in 40 restaurants!

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

This next Sunday, November 21, will be our last before returning to Spain. We will have reported to eleven churches in less seven weeks. The Lord blessed us with safety as we have traveled to six states. Our supporting churches and friends have been so very kind and generous to us. Now we look forward to being back at our ministry, where according to daily texting, the believers are eager to see us again. Meanwhile, our co-workers have done an excellent job at keeping the various ministries moving forward.

During the pandemic, God has allowed us to publish three books in Spanish and two in English. Three of these books are evangelistic publications, and the other two are devotional for believers. You can see the latest one, a book of 31 devotionals from the Pentateuch to the left. It is available on Amazon, and to the right, you have a QR code that can take you right to the page.

Thank you for your prayers and support! Andy & Mimi
