BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

In the picture, you can see the huge mudslide that has blocked the road and kept us from having ministry activities at Aierdi. It is partially clear now, but we still cannot cross it with normal cars.

*Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!*

On the 29th of January, we hosted the 50th Intensive Bible institute on Biblical Archaeology.

Mimi and I helped in a missions conference at a church near Madrid in early February. Here we are with the pastor's family.

Our newest granddaughter, Sophia, is growing quickly.
