BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Here in Spain, Mother's Day is on the first Sunday of May. We prepared a small gift for each mother, and two of the boys gave them out.

*Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!*

We recently connected with Javi and Mari, whom we led to the Lord over 30 years ago when we were still in the Irún church that my parents started.

The first phase of the landslide repairs at Aierdi has begun. Lord willing, in June, the provincial authorities will send in the big equipment to start working on a "final solution" to avoid any more mudslide in the future.

Last week Mimi and I were in Barcelona, where we had the opportunity to serve at the Castellar church. One event was the prayerful dedication of two men to the church ministry.
