BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

In June, Mimi and I went to visit Nico and Alicia, who live in central Spain in the summers. We recorded their testimony on video and uploaded it to Youtube. Use the following QR code to hear their wonderful story of grace.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

At the end of May, our son Mark and his wife, Andrea, came to Zegama so he could run the renown Zegama-Aitzgorri mountain marathon.

When we returned to the intensive institutes after the Covid restrictions, we have had to host them at the church building because of the mudslide at the farmhouse. That also allowed us to take advantage of a better internet signal, so we have live-streamed the sessions on Youtube. In the picture, you see 11 believers from Africa who joined us for the entire Saturday! Their country, Equatorial Guinea, was a former Spanish colony; hence, they speak Spanish.

On July 9th, Pastor Marco Antonio from Madrid came to teach our 52nd intensive institute on the First Epistle of John. He did an excellent job, and many believers commented on how quickly the five hours went by.
