BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Today, Sept. 15th, is the 19th day of repairs on the Aierdi mudslide. I have prepared a daily video of the progress. You may enjoy watching it happen! Use the QR code to access the playlist, or go to my channel on Youtube.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

One of our dear couples got married in late August. Edwin and Ruth are very special to us. She has been in our church since she was a tiny girl. He visited about five years ago and was saved and baptized. Both of them have been faithful servants in the church.

This picture was taken several weeks ago during one of our Friday Fellowship services, in which we had a special prayer for Walter, the young man sitting in the middle. He is going through an extremely difficult family trial. Thank you for praying for him and his two girls, Amaia and Ane.

During the second week of August, we hosted our 8th Christian Workers Retreat at the farmhouse. As always, it was a special treat to see how God used the four days to encourage some dear pastors and missionaries (along with their families) scattered across Spain.
