BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

Here is the group of European MKs that came in from six different countries for our 17th retreat. Pastor Mark Campbell gave an excellent series from the life of David. We were so excited to get back to the MTRs after Covid!

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

Heavy rains in the last week have really put the Aierdi landslide repairs to the test. We rented the backhoe in the picture to try to keep the culverts free from mud but have now decided to start asking the Lord to provide us with a machine of our own.

As in the past four institutes, we've had a group of believers in Africa follow the sessions live. Four of these did all the homework and received certificates.

On January 14th, we hosted the 54th intensive institute at Aierdi. We had about 50 believers enjoying the five hours on REFLECTION OF CHRIST IN THE OLD TESTAMENT. Lay teacher, Georgi Ciordas, did an excellent job, and I heard many say how greatly they were blessed.
