BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

By the time you receive this letter, we should be back in Spain. In the past seven weeks, we've reported to nine supporting churches in five states. The picture is a moment taken from the always extraordinary conference at Brookside BC in Wisconsin.

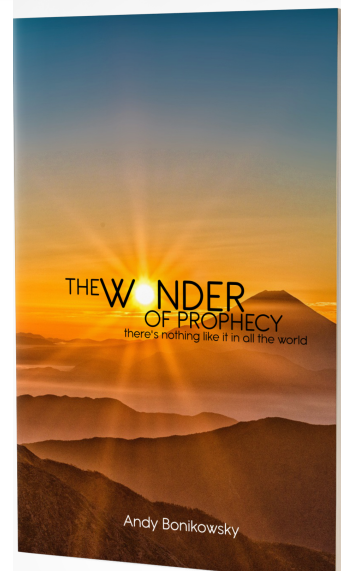

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

If you would like to have a part in getting 50,000 gospel postcards into that many homes, please go to www.countingthestars.org or use the QR code.

Published in October, *The Wonder of Prophecy* is an introduction to this fantastic genre within Scripture, in which an infinite God speaks through and to finite men. There is nothing like it in all the world! The QR code will take you to the Amazon link.

Thank you for praying for us as we again organize this yearly retreat for missionary kids. The dates are December 7-13.
