BAPTIST CHURCH PLANTING MISSIONARIES IN THE BASQUE REGION OF NORTHERN SPAIN

This picture shows a typical Friday night fellowship service. The evening includes discipleship classes, a service with prayer time, and supper for all. It is a unique and wonderful service that opens the weekend ministries.

Here are some ministry pictures from recent months — however, it is much easier to follow our ministry through our website or social media. Thank you for praying and following what God is doing in the Basque region of Spain!

This August, we had our 10th annual Christian Workers retreat, with Spanish pastors and missionaries from numerous ministries around Spain. We even had one Mexican family, missionaries in Lebanon.

This is from May when I visited my parents. Dad has just been diagnosed with lymphoma and is in chemo treatment.
