

Driving supplies to Ukraine

Hello friends, I just wanted to let you know about an opportunity I have to help local churches in Ukraine. As you know, the conflict is only a few countries away from Spain. Many of the churches here have Ukrainian nationals (I have a sister-in-law from Ukraine myself).

A number of the churches here are taking up offerings of imperishable food, medical supplies, and other materials greatly needed by churches affected by the conflict. Lord willing, this Monday, March 21st, I will be driving a van up to Kraków in Poland, close to the Ukrainian border. We will be delivering the supplies to a church there in Kraków for them to distribute. We will also be bringing refugees from the war back to Spain on the trip back.

We appreciate your prayers for safety and good passage. If anyone would like to follow the trip more closely, I plan to post updates to our ministry Facebook page (facebook.com/bonikowsky).
