MISSIONARIES TO THE ISLAND OF POHNPEI

It has been exciting to us to begin to see the light at the end of the tunnel. As the Lord has enabled us to grow closer to our goal, we anticipate with much excitement the possibility of being on the field in the near future. This has enabled us to start the process of contacting a company that sells containers as well as a different company who ships them overseas. The cost will be substantial, but having talked to Missionary Rickson Kihleng recently, it still seems best to go this route especially in the long run. Thank you for your faithful support for our family both in your giving and in your prayers. We realize that without your support, we would not be able to be where we are today making plans for the move to Pohnpei.

In July we left the East for meetings out west. Honestly, we started out with mixed emotions, excited for the meetings and possibilities, but dreading the long drive. God gave grace, strength, and safety and we thank you specifically for your prayers in that regard. By the time we made it back home we had traveled almost 8,000 miles! God blessed and worked and to His glory our family of supporting churches grew to include at least three more from out west with the possibility of some others.

Having never been that far west, it was amazing to see the diversity of God's creation - the rolling hills, the open prairie, the fields full of harvest for miles and miles farther than the eye can see. We had the experience of going through areas of extreme drought where crops are dying in the fields as well as areas of dense smoke where the fires are burning them up. The Lord impressed upon my heart the passages: "Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." (John 4:35) and also "And whosoever was not found written in the book of life was cast into the lake of fire." (Rev 20:15) May we ever be diligent to get the message of the glorious gospel out to the lost and dying world around us.

Because of Christ,
