MISSIONARIES TO THE ISLAND OF POHNPEI

Thank you for praying for the Kihlengs as they returned to Pohnpei from furlough. Many came out to the airport to welcome them home, and many others joined in that following Sunday which was designated as a special service to celebrate their return. It is a blessing having them back and we look forward to working alongside them.

Thank you also for those who prayed and designated gifts to help out the Bible institute students. As of now through your giving, around a dozen students will receive the help they desperately needed enabling them to come faithfully and not be hindered by their finances.

We would ask that you pray for the upcoming outreach ministries planned for this summer: Vacation Bible School, Youth Camp, and Micronesian Games Outreach. Vacation Bible School is scheduled for July 7<sup>th</sup> through the 11<sup>th</sup> and Youth Camp is scheduled for August 4<sup>th</sup> through the 9<sup>th</sup>. Last year the Lord blessed and worked and used these ministries to see several kids saved and many others challenged in their walk for Him.

Micronesian Games is similar to the Olympics for the islands and was last held on Pohnpei in 2002. Much work has been done in preparation for the games and in anticipation of the thousands of athletes and spectators expected to come from other islands like Guam, Palau, Kiribati, the Marshalls, and the Northern Marianas. We hope to pass out brochures that will include our church information, a fitness themed tract written by Susan Kihleng and based on God's simple plan of salvation, facts about Pohnpei, and simple Pohnpeian phrases. We plan to pass these tracts out as well as snacks or waters to the masses and pray that God will bless, open up doors, and draw many unto Himself through this outreach.

I would also ask that you pray for George Washington (yes, that is really his name), an inmate at the jail at which we have a ministry on Tuesdays. He is a faithful Christian with a good testimony among everyone who know him. He has been asked to speak at the public school warning of the dangers of breaking the law and how you can end up in jail, but he wishes to use the time to also preach the gospel clearly. Please pray that the students would be responsive.
