MISSIONARIES TO THE ISLAND OF POHNPEI

These last two months have been extremely busy with VBS, Youth Camp, Micronesian Games, and now Baptist Bible Institute of Pohnpei having started. We thank every individual and church who has donated toward the students' expenses, and are very glad to report that many old and new students alike are being helped through your giving.

We realize that getting results is God's business. Our calling is one to faithfulness where we are to get the gospel message out not only through acting in Godly ways, but also through telling others of God's love and grace. I think of the prophet, Isaiah, who was sent to preach to a people whom God said would not hear his message or be converted (**Isa 6:9-11**). However, what a blessing, when God is able to work, people respond, and God is able to gloriously change them by His power (**Rom 1:16**). We praise God that through His working and giving the increase (**1Cor 3:6**), many people have been saved recently through these ministries as well as at church, while many others are on fire for the Lord.

Last Sunday, to His glory, a person came forward for salvation and after the morning service; there were five that followed the Lord in believer's baptism. We praise God for all the ones who have been saved recently and would ask that you uplift them in your prayers. The pull of the world is strong here. Sadly, one comes to mind who was very faithful a year ago; but made some wrong choices to sin and at this time is not fully following the Lord. Please also pray for the Christians who recently fully surrendered to the Lord that they would keep their eyes on the Lord and be faithful to Him.

Since our arrival on Pohnpei we have been praying about building a place closer to the church. Several things still have to work out for this to be a reality, and we would appreciate your prayers for the Lord's direction and provision. Hopefully, after our housing issue has been resolved, we should be able to focus on starting the translation. Language studies are progressing, but we all still have quite a ways to go and would appreciate your prayers also in that area. Thank you for your faithfulness.

Praise and Prayer

- * **Ambassador Baptist Church - the Lord has been working mightily, but the opposition is great**
- * **Outreach - we've rejoiced to see many choose to accept Christ as their Savior and to surrender their lives to follow Him, but there are many other for whom we continue to pray**
- * **Bible Institute - generous donations have provided a scholarship allowing many returning and new students to attend**

Family

- * **Praise the Lord for 20 years of marriage! Thank you to the many who sent cards and congratulations.**
- * **Kaleb had to return from camp early due to an infected abrasion cut which required a doctor's visit and antibiotics, but is now almost completely healed.**
- * **A good start to another year of homeschooling - 12th, 10th, 8th, 6th, and 3rd grades**
