Prayer Requests

- Safety while travelling
- Additional support
- The meetings that God desires for us
- God's blessing on our current supporters

Once again we are glad to report the good hand of God upon us through an extremely eventful month. In September, we participated in 4 different missions conferences as well 2 additional church meetings. God stirred us up and allowed us to minister in a variety of ways. Several churches had Christian schools, allowing us to teach the students about the field of Cambodia and the work of the missionary. Probably the most creative ministry we got to participate in was tract distribution as we marched in a Ohio Pumpkin Festival parade. Even though we were in a very rural area, we were able to hand out about 7,000 tracts over the route.

On September 13, while travelling through central Pennsylvania, our car broke down with a burnt up clutch. By God's grace, we broke down near a small town where we were able to be towed and repaired. The Lord's provision was proved as He provided the very amount we needed through a love offering from a local church. It was amazing for us to see God's people used as His tools to provide for a

need before we even knew we would need it! Thankfully, our car was successfully repaired and is running great again.

September marked 6 months of deputation for us. We have been in almost 40 different churches around the country, and have logged many miles. Praise the Lord, He is blessing our efforts. As of the end of September, we have 39% of our support pledged. Please pray with us that we will continue to see that number rise. We are specifically praying that we would be able to raise 50% of our support before the end of the year. God is able, and we trust in Him.
