Our Support Level

Although our thoughts are so often with the country of Cambodia, we are thankful to the Lord for our own nation, the USA. It is always a blessing to celebrate the birth of our country and the independence we have as Americans. In Christ, however, we have the greatest independence - freedom from sin and self. This is the true freedom that we desire for all men to experience, both in America, in Cambodia, and around the world. *"If the Son therefore shall make you free, ye shall be free indeed."* **John 8:36**

This past month, we also celebrated the birth of our son! Joshua Matthew made his appearance on June 7. He weighed 7 lbs 11.5 oz and was 22 inches long. We are so thankful for a healthy little boy. He is a wonderful gift from God, and we are enjoying parenthood.

After Joshua's birth, Nikki's blood pressure became very high. By God's grace, we were able to control it quickly and take Joshua on his first road trip mid-month for the World Wide New Testament Baptist Missions Family Fellowship Week in Ocala, FL. We were encouraged with the preaching, as well as fellowship with many friends and several couples that we attended college with who are also preparing for the mission field.

Our schedule for the rest of this year has filled up very well, with just a few open meetings here and there. Since we have reached the 80% mark on our support, we are beginning to seriously consider dates for travelling to Cambodia for our first term. Please pray that God will give us wisdom for this very important decision.

In Christ,

Matt and Nikki Brown
