missionaries to CAMBODIA

August 7, 2013

Friends in Christ,

Our Support Level

As of July, we have begun full time travelling again. It is certainly an adjustment to travel with a baby, but we are all learning. Joshua experienced his first missions conference this past month. Although it was extremely busy, we thoroughly enjoyed being back on the road. The Lord blessed at this conference as we saw a young man come to salvation through one of the services. We were also able to be in other church meetings, as well as dedicate Joshua to the Lord at our home church.

Mission conferences are not the only time we get to be involved in the local church ministry. We were invited to teach the teen class at a Vacation Bible School the last week of July. A great group of teens came every night and we had a chance to challenge them for salvation and commitment to the Lord. Each night, an offering contest took place, and at the end of the week, the total was given to us! The amount given will cover almost an entire one-way ticket to Cambodia, and was a wonderful unexpected blessing.

Prayer Requests

- Traveling mercies
- Additional support
- Wisdom in planning
- Joshua's healthy growth and development

We are slated to travel over 4,000 miles in August, so please pray for our safety on the road. We are looking forward to some great meetings, and are excited to see how we can minister in churches from Florida to Pennsylvania. God is continuing to supply our support - we have had churches take us on every month this year. After much prayer and counsel, we are setting January 2014 as our goal date to leave for Cambodia. Thank you for your prayers in this matter, and please continue to pray that God will provide in His time.

Yours In Christ,

Matt and Nikki Brown
