## missionaries to CAMBODIA

November 6, 2013

Dear Prayer Partners,

*"Now thanks be unto God, which always causeth us to triumph in Christ, and maketh manifest the savour of his knowledge by us in every place." II Corinthians 2:14*

By the grace of God, we have reached another exciting milestone - we now have 100% of our support promised! We are thankful to the many churches and individuals whose sacrificial giving has made this possible. Our support "percentage" is not just a number - it represents sacrifice, dedication, and love for the Lord and His work on the part of many dear Christians that we now count as our friends. Most of all, we give thanks to God for answered prayer in this regard. Our faith has been encouraged by the Lord's abundant goodness, above anything we expected.

A very full couple of months awaits us before we get on the plane to Cambodia. We still have several meetings left on our schedule. Additionally, we have much packing to do. Please pray for us as we explore a couple of different options for shipping. We know the Lord is preparing the way before us, and we appreciate you praying that he will continue both to prepare us and to prepare the hearts of the Cambodian people we will be ministering to.

Yours In Christ,

Matt and Nikki Brown

### CAMBODIA COUNTDOWN

#### Nikki's Notes

**Question:** What is the weather like in Cambodia?

**Answer:** Cambodia is very close to the Equator, so they experience a tropical climate year round. With temperatures rarely going below 70° F, they typically see hot weather with high humidity. They also have a monsoon season from May to October. Needless to say, we will be packing our summer clothes.

- Traveling mercies
