Nikki's Notes

I am constantly reminded of

God's protection over myself and my family. A few weeks ago we found a small screw-shaped piece from a stuffed animal in Julie's crib. We are thankful that even though she usually puts everything in her mouth, God protected her. Another instance, last week, while Joshua was seated on his daddy's moto, it fell, trapping Joshua underneath. His head hit a large cement curb, but praise the Lord he was wearing his helmet! While his helmet was damaged, Joshua walked away with only a scratch. We know these situations could have ended in a more tragic way, but God has been so gracious to us! We could never express how thankful we are that you pray for our children!

Prayer Requests

- Health and safety
- Language learning
- Relationship and witness with neighbors
- Members of Grace Baptist Church

Friends and Family in Christ,

Thanks so much to those of you who prayed for Poch, the woman who was ill with liver disease. Praise the Lord, He gave us opportunity to witness clearly to her during times when she was alert, and she believed on the Lord Jesus! Just a week and a half later, she passed away. We are praying that this will open doors to witness to her family as well, and we appreciate you joining with us in this effort.

Another woman in a nearby village had expressed interest in beginning a weekly Bible study at her house. As she considered it, however, she decided it might create too much friction in her family, since she is the one responsible for burning incense and giving offerings to the spirits on holy days. We still have chances to witness to her periodically, but situations like this are all too common here. Please pray that the Lord would open people's eyes to realize the preciousness of Jesus Christ above all else.

Weekly church meeting

Each week, the church here meets to study God's Word and worship the Lord. Please pray that the believers would grow in Christ. This month, there is a major Buddhist festival to honor the spirits of ancestors, and there will be great pressure on believers to compromise their faith and participate. Please pray that the Lord will strengthen them and help them to remain faithful to Him.

Pray also that we will have wisdom as we teach and encourage them during this time.

For His Name's Sake,

The Brown Family
