### Nikki's Notes

On February 17th we had the privilege of celebrating Julie's first

birthday! She is our first baby to be born in Cambodia. She is a very friendly baby who loves to play with the neighbor kids and be passed around to everyone. She recently learned to walk and even talk a bit. The day before her birthday, we had a small party with friends, cake and ice cream, and games. It surely was a fun time. Your prayers for our children are appreciated SO MUCH! We pray for God's help as we endeavor to rear our children in the fear and admonition of the Lord.

### Prayer Requests

- Health and safety
- Language learning
- Relationship and witness with neighbors
- Salvation of Nhup, Rattana and Jone
- Location for services in Tuol Sbow

Dear Friends and Supporters,

For the past several months, we have been working with a group of young people in the village of Tuol Sbow on the outskirts of the city. Just this last week, due to our vehicle breaking down, we had a service out in their village for the first time. We are exploring the possibility of meeting out there on a weekly basis. Please pray that we will be able to work out a good location to use.

Service in the village

In this same village, Nhup, the man who we helped to get medical treatment last month, has begun studying the Bible with me every week. Please pray that the Lord will open his eyes of understanding and help him to seek after Jesus Christ. I have also had the chance to witness extensively to two men who live nearby. Their names are Rattana and Jone. Both of them have listened attentively, seem to understand the gospel, but are struggling with doubt and disbelief. Pray that the Lord would convict them of His truth and their need.

This month (March 11-13), the city of Kampong Cham is holding a River Festival to highlight the city's location along the Mekong River. Thousands of people from here in the city and from neighboring areas will be here to join in the special events. We are planning to set up a booth for our church and distribute tracts about "The Water of Life". Additionally, on Easter Sunday, our church will be having a special Friend Day. Please pray that we will have many opportunities to meet new people, share the message of the gospel, and see souls believe in Christ during these two special efforts.

For His Name's Sake,
