Nikki's Notes

In our last prayer letter we asked for prayers for our unborn child. About two months ago the doctor informed us of a large cyst that was growing rapidly right next to our baby. She told us it could potentially cause late term miscarriage, preterm labor, and/or postpartum hemorrhaging. Many of you contacted us letting us know of your prayers. This past week we had a follow up appointment. The doctor did a very thorough exam and even compared charts from my last visit. She could not find the cyst. She said she had never seen a cyst of that size "disappear." With many tears I explained how a lot of people were praying. She replied with, "Well, that's why." We are so thankful to God that He chose to answer all of our prayers in this miraculous way. Thank you for praying for our family.

Prayer Requests

- Health and safety
- Salvation of Nhup, Rattana and Jone
- Teaching location in Veal Sbow
- Health for Nikki and baby

Dear Praying Friends,

"So if Jesus doesn't want to destroy people, what about the Egyptians who drowned in the Red Sea?" Although Rattana has been to church a few times, he is not yet a believer and his Bible knowledge is fairly limited. Needless to say, I was a little surprised when this question came up during a recent witnessing opportunity. As I began to explain to him about the consequences of disobedience and God's judgment, it suddenly occurred to me that Rattana's nephews and nieces had just learned about the crossing of the Red Sea a few weeks earlier in our children's service. Praise God for these young people who are faithfully coming to learn about the Lord, and then sharing it with relatives and neighbors in their village! We are still praying for Rattana's salvation, and are encouraged to see that he is considering the claims of Christ, and asking questions. Although we do not have a formal Bible study with him, I have been able to go to his house weekly to witness both to him and to many neighbors and family members who congregate there.

We have a lot of changes taking place here in the next couple of months. The Wood family (the family we've been covering for while they are on furlough) just returned this past week. Also, another family, the Hancocks, is planning to join us here in mid-August. We are thankful for each of these families and looking forward to the fellowship and help each one will offer as we serve the Lord together in Kampong Cham. Please pray for this time of transition, and that we will be able to work together to further the work of the Lord in a great way. Only through His power will anything of worth be accomplished.

For His Name's Sake,

The Brown Family
