Nikki's Notes

Childhood Conversations:

Joshua (3)- "Julie, do you love God?"

Julie (1)- "No!"

Joshua- "Yes you do, Julie! He loves you!"

Julie- "No!"

Joshua- "YES HE DOES, JULIE! If you don't love God you will live in the lake of fire with Satan."

Conversations between our 3 year old and 1 year old are never boring. However, now that Joshua is learning more about the Bible, he makes sure his little sister is in the know.

Prayer Requests

- Health and safety
- Salvation of Nhup, Rattana and Jone
- Salvation of Nate, Mahp, and Narun
- Health for Nikki and baby

Dear Praying Friends,

We are always delighted to hear when family and friends express an interest in making a visit to Cambodia. This past month we were honored to host our brother and sister-in-law for nearly three weeks. We were able to show them many beautiful sights in this great land. They also were able to spend some time at our home and see the work here at Grace Baptist Church. It was a privilege to have them here.

Time with family

Please be in prayer for a man named Narun. His wife, Srey Pov, has professed faith in Christ and recently been attending the church. Although he too has previously made a profession of faith, he recently admitted that he does not truly know God. Some things that have recently come to light have also shown that he is unrepentantly following after sin. Pray with us that God will convict his heart of sin, that he will be willing to devote time to listen to the Word of God. Also pray that the Lord will help his wife to be a faithful witness before him.

One of our main ministries these days is tract distribution. In Cambodia, we don't actually knock on people's doors, but most people spend a lot of time outside or leave their doors open during the day because of the heat. We have opportunity multiple times a week to engage with people and challenge them with the gospel. Please be in prayer for this effort, that the Lord would enable us not only to plant seeds, but also to see fruit from the proclamation of His Word.
