Prayer Requests

- Spiritual growth of believers
- Salvation Bible Studies
- Repentance & Reconciliation - Waat
- Children's Bible Club in Beoung Snai

Faithful Friends, Family, and Supporters,

We concluded our Creation to Christ study course at our kid's Bible club this past month with a strong Gospel appeal from the parable of the wide gate and the narrow gate (Matthew 7). Though monsoon rains were threatening, the Lord graciously held them off, and we saw two young girls trust Jesus Christ as their Savior! Please pray for Sok Chan and Ranan, as they are now the only Christians in their families, and they will need determination and boldness. We also recently had an adult visitor to the church as a result of the Bible club.

Do pray for the Lord's continued blessing on this work, as we go forward in teaching His Word.

This month, please pray in a special way for several believers who need to go forward in their walk with the Lord - Hov and Tey, Srah, and Srey Pov. Spiritual growth is dependent upon obedience to the Holy Spirit. Please pray also for more open doors for the Gospel.

For His Name's Sake,

The Brown Family

Culture Corner - "Soam Sull" សុំសុំ

Many older Cambodians do what is called "soam sull" - they dedicate themselves to follow Buddhist laws, observe holy days, and try to store up merit for their next reincarnation. Recently, we have met with several elderly ladies who have listened attentively to the Gospel, but at the point of decision have told us they cannot believe because they already "soam sull", or in the words of one lady, "I have already given myself to Buddha". It is deeply saddening to watch those so close to eternity reject the Savior. Pray for God's victory over this stronghold, that we will see some of these precious older folks trust Him.
