Nikki's Notes

You might have noticed by the header that we have finally been able to get new family pictures made! Many of you have asked for an updated picture and we are now happy to give it to you. Thank you so much for your patience with us in this matter! If you'd like to access a printable version, please visit this web address: <https://brownstocambodia.com/2020/04/05/new-family-photo/>

Faithful Friends, Family, and Supporters,

"...ye know not what shall be on the morrow. For what is your life? It is even a vapour..." James 4:14

It seems as though the entire world has been surprised by the ravages of the coronavirus pandemic. What a potent reminder of the uncertainty of life and the need for a mighty God. We are thankful that so far Cambodia hasn't been affected nearly as severely as other places, with a little over 100 confirmed cases and no fatalities. Schools were closed and religious meetings banned in the middle of last month, but otherwise, life continues on fairly normally. The situation and resulting suspicion has put a damper on door to door evangelism, but some opportunities for online evangelism have opened up, for which we are quite thankful. Please pray for creativity in making the most of these unusual circumstances.

Prayer Requests

- Government relations
- Spiritual strength
- New relationships/Bible study opportunities
- Health
- Grandpa "Taw" - health, growth

After visiting Grandpa "Taw" for over 2 months, last week he told me he had called on the Lord Jesus for salvation! He is extremely sick and may have only a few days left to live, but we praise God for His mercy on this man's soul. Please pray as we still try to minister to him and his family during this difficult time. Pray that God will open the hearts of others in his family to understand that the gospel is for them as well, not just those on the doors of death. May the Lord help all of us to make the most of the measure of life He has given us.

For His Name's Sake,

The Brown Family
