Nikki's Notes

Update on children:
We were all excited to finish the school year in early May!

That means Joshua completed first grade, and Julie completed kindergarten. They both did exceptionally and learned lots of new skills like reading and writing! Both Joshua and Julie are becoming quite fluent in the Khmer language. The younger two boys remain healthy and are growing quickly! Judah is picking up Khmer phrases, though his choices on when to use them can be humorous. For instance, if he gets mad at a friend he'll use a phrase like "not pretty" or "don't have" to say he's mad. Haha - we've all been there in our language learning! Judson is nearly 1½ now and roams around inside and outside daily. He loves to play in the rain! As always, we appreciate your love and prayers for our children.

Faithful Friends, Family, and Supporters,

Like so many of you, we continue to seek God's wisdom in adjusting to changing circumstances due to the COVID-19 pandemic. Although the situation in Cambodia has not been serious, restrictions still remain on gatherings. We are hoping these will be relaxed soon.

The "Light of Life" radio program continues to broadcast every weekend. We have a praise in connection with this effort. Initially, we had some issues with the radio station not playing the program at the proper time (or at all), but just a few weeks ago, the station got a new manager from a different province. He is a Christian, and was excited about a Christian program being broadcast. We now have no worries about the program being played consistently. Also, thanks to those who have prayed about our situation with the local police. The local police chief was just replaced and we are hoping and praying that his replacement will be more ethical.

Continue to pray for our witness with neighbors and acquaintances. During this time when "formal" ministries are limited, we want to make the most of these opportunities that are always around us. Please pray that the Lord will continue to open doors of gospel proclamation and help us to take advantage of them.

For His Name's Sake,
The Brown Family
Romans 15:20-21

Prayer Requests

- Government relations
- New relationships/Bible study opportunities
- Spiritual strength.
- Health.
- "Light of Life" radio program
