Nikki's Notes

I want to say thank you to everyone who has been praying for my health! In February and March I began Hyperbaric Oxygen Therapy. For a couple of years I had been dealing with a multitude of symptoms including tremors, shakiness, weakness, fatigue, etc.... We prayed for the Lord to allow healing through this oxygen therapy and He answered our prayers! We are not sure if there are environmental factors in Cambodia that brought on those things, nor are we sure if they will come back, but we do know the Lord has given healing for this time and we thank Him for that! I look forward to going back to Cambodia with this clean bill of health. As always, I appreciate your continued prayers for our family.

Faithful Friends, Family, and Supporters,

We have so much to praise the Lord for! First of all, thanks to all who prayed about baby Josiah's paperwork. It all arrived in record time, and he now has a visa to enter Cambodia. Secondly, the Lord has used some health treatments to work a miraculous improvement in Nikki's health. She is feeling better than she has in years, and we are so thankful for the healing that God has performed.

Finally, we're glad to report that we have tickets to return to Cambodia on May 19. Please be in prayer for this trip. Cambodia is in the midst of a major surge of COVID-19 cases, and there are a number of additional requirements to enter the country. Our entire family will need negative COVID tests before we travel, and will have to complete a strict 14-day quarantine under government supervision once we arrive. At this time, the capital city of Phnom Penh (where the airport is) is completely locked down, so we will also need to find a way to get from there to our home in Memot. We ask you to pray for negative results for the COVID tests we have to get both before and after the trip, for grace and patience for our family as we are confined to a hotel room for 14 days, as well as a clear path back to our home and place of ministry. We have been so encouraged and refreshed by our time here in the US and are looking forward to being back on the field.

For His Name's Sake,

The Brown Family
Romans 15:20-21

Prayer Requests

- Travel back to Cambodia - May 19
- COVID situation in Cambodia
- "Light of Life" radio program
