Nikki's Notes

It was such an emotional moment when we finally arrived back to our home! Aside from seeing all the scary creatures :) we've been so thankful that the Lord made a way for us to return. We've been extra thankful that He's also given me good health thus far and provided a helper to come every weekday. The kids were given the opportunity to study Khmer with a neighbor who usually teaches at the elementary school. Since the schools are still closed here she has offered tutoring at her house. Our kids, along with a few other Cambodian kids, study together every day.

Silly Kid Moment:

It's common for kids here to wear either flip flops or crocs. One day a silly kid of ours asked "Daddy, can you help me put on my croc pots?"

Faithful Friends, Family, and Supporters,

We are so thankful for the Lord's abundant blessings. Our transition back to Memot has gone so smoothly. Neighbors and acquaintances welcomed us back with no hesitation, and we have been able to get settled back into life here. It is a difficult time for the people of our town, as it has just been hit with COVID-19 for the first time. The main market has been shut down, and many are fearful. While this situation restricts some in-person ministry opportunities, we have been able to try to reach out via our ministry Facebook page as well as the radio broadcast, which continues to go out every evening. Please pray for our community during this time, and for us that we will have wisdom for how best to minister to those around us.

While we are still restricted from having formal church services, we were very excited to welcome a man named Tivia and his family who have begun to come worship with us on Sunday mornings. He is a professing Christian, and we ask that you would pray for him and his family as we seek to encourage them spiritually. Continue to pray that Christ will build his church here in Cambodia!

Sunday morning worship

For His Name's Sake,

The Brown Family
Romans 15:20-21

Prayer Requests

- Evangelism opportunities
- COVID situation in Cambodia
- "Light of Life" radio program
