Nikki's Notes

The Lord gave our family a truly wonderful Christmas together this year! We were so thankful to celebrate our Savior's birth!

Our little Judah turned five years old on Christmas Day and was extra thankful at the realization that he gets to share a birthday with Jesus! Our family has been so blessed this year with your love and prayers. Thank you for praying for the work in Cambodia!

Faithful Friends, Family, and Supporters,

The highlight of our December was definitely the celebrations of Jesus' birth. Christmas is not officially recognized or celebrated in Cambodia, but many Cambodians have heard about things like Santa Claus, gift-giving, and "jingle bells". The Lord allowed us to organize special services on December 26 to explain the true meaning of Christmas. We had two children's programs, one in Trabike village, and one at our house. Both were well attended, and we were able to not only explain the story of the first Christmas but also to give a gift of snacks, school books, and gospel literature to each of the children. The main Christmas service was also well attended, with several first-time visitors! It was a wonderful time of honoring the Lord, sharing the gospel, and fellowship.

Another special opportunity during this season was calendar distribution. With the help of some other missionary colleagues, we designed and printed some colorful desk calendars with Scripture verses and a gospel presentation. These make great gifts, and we were able to give these to the police chief, the president of the provincial religion department, and the "mayor" of our local municipality, among others.

The new year is a perfect time to take stock of what the Lord has done and look with purpose towards the future. Please pray that God will give us the wisdom and vision needed for a fruitful and Christ-honoring 2022!
