Nikki's Notes

Please join us on our ministry Facebook page "Browns to Cambodia" to get a glimpse into our daily lives. We have been posting lots of videos this month in an effort to let you see what it's like to live in Memot! As always, thank you for your prayers!

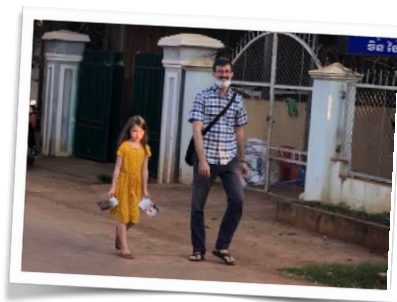

Prayer Requests

- Spiritual growth of Christians
- Evangelism opportunities
- "Light of Life" radio program

Faithful Friends, Family, and Supporters,

January was a busy month for us, with lots of family events, some sickness, as well as the work of ministry. In it all we have some blessings to give thanks for: we had our first church potluck, our first time to have local believers go on door-to-door soul-winning with us, and a group of local children began regularly attending the Sunday afternoon Bible club. We also had some return visitors from the special Christmas program. Please pray that the Lord will continue to give strength and zeal as we continue with these weekly efforts to get the gospel out here in Memot.

Family soul-winning

I have been regularly visiting and teaching a man named Nat who has been open to the gospel. He has said that he wants to believe in Jesus but is trying to persuade his wife to believe as well before he makes that commitment. Please pray that both he and his wife will clearly understand the gospel and truly place their faith in Jesus Christ.

We are planning to make a special focus this month on the local church as we continue to try to move forward towards becoming an official church. It is so important to have a solid Biblical foundation for this so that believers can understand why we gather together and what we are to be doing. Please pray that this teaching will be well received and that believers will continue to mature in their understanding and commitment to the Lord.

For His Name's Sake,

The Brown Family
