## Nikki's Notes

Back in early June we had the privilege of having "Ming"

(my Cambodian mom 😊) stay with us for a full week. The kids love their "Yay" (Grandma) and she spoils them so much! We met her while living in Kampong Cham several years ago and the Lord really knit our hearts together. She's a professing Christian and has been very encouraging to us throughout the years. From cleaning and organizing, painting nails and traveling, playing games and going through old photos, to cooking and staying up late with the kids — we all certainly made the most of our time with her and can't wait for the next time!

## Prayer Requests

- Evangelism opportunities
- Light of Life Radio Broadcast
- Ruppels' move

## Faithful Friends, Family, and Supporters,

Due to the 2023 Southeast Asia Games, school kids nationwide were given a several week break, and we were able to start off the month of May with our very first Vacation Bible School. The Lord really blessed us with a good group of kids, as well as some church members who came to help daily. Over 60 kids came over the course of the week, with many coming consistently every day to hear a presentation of the Gospel from Creation to Christ. On the last day, several young people raised their hand to testify that they had trusted in Jesus as their Savior. Please pray for our continued efforts in children ministry.

We are thankful to report that Nikki seems to have made a full recovery from dengue fever. The virus had actually put her in acute liver failure, but followup visits have shown complete healing for her liver as well! Thanks so much for all who have been praying for her.

One missionary family here in Cambodia has been particularly instrumental in getting us here and helping us get established. Rodney and Becky Ruppel have been serving faithfully here for 27 years, and recently turned over the church they planted to a national pastor. We are very excited that they have chosen to move up to Memot to assist in the work here! The Lord is already working out many details of their move, but please pray for their upcoming transition here. Pray as well that the Lord will continue to give guidance and vision for His work. We are thankful for your fellowship in the gospel.
