Nikki's Notes

The Lord has allowed me the opportunity to begin a kids' class during the preaching service on Sunday. This has given me a chance to talk one-on-one with many of our children about the Lord. Several have made comments like, "I want to believe in Jesus, but my parents won't let me." This is not said out of anger or dislike for us, but rather out of not understanding or knowing about Christ. Would you please make it a point to pray for these children and their parents to know and receive Christ as their personal Savior?

Prayer Requests

- Spiritual growth of Sarun, Sara, Poch, Tieng Ly
- Evangelism opportunities
- Light of Life Radio Broadcast
- Bible study in Andoung Tmaw

Faithful Friends, Family, and Supporters,

One of our church members had hired some local villagers to harvest pepper. As they took the opportunity to speak to the laborers about Christ, one woman approached them to find out more. It turned out that Srey Tuich had previously been ministered to extensively by a Baptist church in Phnom Penh before she moved out to our area. She has now been coming to church and wants to start a Bible study in her village of Andoung Tmaw. We thank God for the team of gospel laborers here in Cambodia and ask that you would pray for Srey Tuich's spiritual growth, and for the salvation of her husband and other family members.

Thanks to those who have been praying for the Ruppels' transition to Memot. We are happy to report that they are all moved in and are already proving to be a great blessing to us personally and in the ministry here.

Our current church evangelism is focused on a large village called Memong. We have had several contacts and Bible studies to come out of the last several weeks of ministry in this community. Please pray for abiding fruit of souls saved and disciplined to come out of this effort.
