## Nikki's Notes

This past month we've had the privilege of hosting a young man from one of our supporting churches. Andrew is a Bible college graduate who has a deep desire to serve the Lord. He's taken much time this past year to visit several locations around the world. Matt has had many opportunities to show him the ministry around Memot as well as in different parts of Cambodia. Our kids have thoroughly enjoyed having him around, too. Would you please pray for him as he seeks the Lord's will? What an encouragement to see young people venturing out for Christ!

Faithful Friends, Family, and Supporters,

2026 has been a whirlwind of activity for us so far! We entered the year encouraged by how the Lord blessed our Christmas outreach service, with a great turnout that included new and returning visitors.

We have been burdened for a while about the need to have a systematic discipleship program in the church. We were looking for something that would help new and old believers alike to learn to pray, read the Bible, witness for Christ, and live a victorious Christian life, as well as equip them to be able to "teach others also." By God's grace, we launched a program in January that we plan to work through with everybody in the church. So far, it has been very well received and it has already encouraged people to reach out and share God's truth with others! Please pray that God will continue to use this important effort.

Few things are more exciting in a local church than to see believers follow the Lord in baptism. On February 1st, we had a special service in which 6 individuals received believers baptism! This included our son Judson, as well as others for whom many of you have prayed, like Sok Leang, Trop, and Sawm. One man who had been a Christian for years but had never been baptized was baptized alongside his wife, who is a new believer. Please pray that these folks will continue to follow through!

Baptism time!

For His Name's Sake,  
The Brown Family
