## Nikki's Notes

During our Easter services a neighbor boy leaned over to ask one of my kids how to be saved. He was told, "Repent of your sins and ask Jesus to save you." After the service, 2 of our kids talked more thoroughly with the boy and his brother and they both asked Jesus to save them! The next morning as soon as Matt opened the doors for the day, the two boys were standing at the gate saying, "Pastor, Pastor! Our family believes in the Buddhist religion, but us two believe in Jesus now!" Their excitement has been so encouraging! Please pray for these boys, Beut and Heng, as they learn to follow Christ.

Faithful Friends, Family, and Supporters,

Easter is always one of our favorite days of the year, as we celebrate the resurrection of Jesus Christ! This year, we had a special treat as over 20 visitors from a sister church on the other side of the country took an 8-hour bus trip to join with us for our special services on Resurrection Sunday. They presented special music, and we got to have some very precious time of fellowship with them over the two days of their visit. There are not that many Christians here in Cambodia, and so we are especially thankful for the joy of sharing time with other believers.

Celebrating the Resurrection

This spring, we've been able to get back into our weekly schedule of getting out into the local villages to share the Gospel. Most recently, we went to a village a few miles outside of town called Ngeu. We have already had some visitors come as a result of this effort. One man, Ngan, had previously trusted Christ but had no local church, while another, named Doy, is receptive towards the gospel but hasn't yet trusted personally in Christ. Please pray for our continued efforts of evangelism in our town and in the surrounding communities.
