Nikki's Notes

If you've been following along in our last two prayer letters you'll remember me mentioning our neighbor boys who professed faith in Christ and then immediately had to leave because their parents divorced. We are thankful that even though they are two hours away from us we've been able to locate their new residence and visit them twice. They are now living with their grandparents, who have been very kind to us on each visit. Matt was able to gift them a new Bible and Bible study workbook to help them read through it on their own. They are still very enthusiastic about their faith in Christ! We are thankful our kids have been able to keep in touch and continue to grow this relationship.

Faithful Friends, Family, and Supporters,

July 17th marked the 4th anniversary of Good News Baptist Church of Memot, and we had a wonderful celebration service that following Sunday. It was such a blessing to reflect back on the grace of God that has been shown to all of us over these past few years. We had a wonderful turnout of old and new members, as well as some visitors!

Discipleship continues with several of the new believers in the church. We are seeing encouraging steps of faith, but we would ask you to continue to pray for some who need the Lord's help to forsake sinful habits and addictions. We know that He can give the freedom and victory that these men need and desire.

4th Anniversary

Our outreach in Snuol continues as we are able to get out there. We have entered the monsoon season which can make the country roads difficult to travel. Despite the weather, the church continues to go out regularly to do door-to-door evangelism and hold services. Please pray that the Lord will grant fruit and continue to work in the hearts of those who have expressed openness to the gospel.

For His Name's Sake,
The Brown Family
Romans 15:20-21
