Nikki's Notes

Traveling on furlough oftentimes means getting behind on our school work. All the kids have been working extra hard (including through the summer) to make it all up. Thankfully, in August we were able to start our new school year on time! We now have kids in grades 8, 7, 5, 3, and 1. During a recent Bible class we were talking about God's command of not murmuring or disputing in Philippians 2:14. The follow-up question was supposed to be thought provoking when it asked, "Have you ever done these things?" Apparently my youngest felt an appropriate twinge on his heart when he immediately shouted, "But we're JUST NOW learning it's a sin!" I'm sure now that he knows better it will nip the murmurings and disputings in the bud. 😉

Faithful Friends, Family, and Supporters,

One of the greatest moments in the life of a local church is when new believers follow Christ in baptism and are officially added to the church. We had the honor of baptizing six at the end of August in a joyous service at a local swimming pool. Two of those baptized are the children of a couple that was baptized earlier this year, one was introduced to Christ by his co-worker, and the other three were reached by door-to-door evangelism in various villages. One young lady is from Snuol, the first new believer from our evangelism campaign in that district that so many of you have been praying for! Please pray for these new believers to be strengthened and encouraged in their faith as they follow the Lord.

Baptisms in August

We are so thankful for the heart of the members of the church to continue to grow in Christ, and we have small groups meeting for discipleship every week as well as our main church services on Sunday. We are coming up on a busy time of year and appreciate your prayers as we plan special events. In particular, at the end of this month, on October 29th, we plan to hold a special medical outreach ministry. Pray that many will be helped, both physically and spiritually.
