MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

## Family Fun!

*One of our travels took us up Hwy-81 in Virginia. We saw the sign for the Natural Bridge State Park, and we decided to stop. We were glad we did! We had a great time as a family and were reminded once again of how great our God is. The wonders that He creates are beautiful to behold!*

## ✠ Matthew 9:36 ✠

*But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd.*

## OUR FIRST SCHEDULED MEETINGS!

May and June have been filled with travel. We have been in meetings in Florida, Georgia, North Carolina, Virginia, and West Virginia. God has blessed and we have been able to share our burden for Washington State with many churches. We continue to drop-in to as many other churches as we can on our free dates.

For those of you who were unaware I have continued to keep my current job on a part-time basis. They have worked wonderfully with my schedule as I have had to take off weeks at a time for

different meetings. God clearly directed and I gave my current job my resignation notice. As of the July, 26th we will be full-time on deputation!

WWNTBM Family Fellowship Week was a wonderfully refreshing time with many of our missionary friends! It is always a wonderful time to hear what God is going in other missionaries lives.

We now have a Facebook page that we update more often. Search Facebook for @BrubakersToWashington or go to [fb.me/BrubakersToWashington](http://fb.me/BrubakersToWashington).
