

# Merry Christmas!

## MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

**November & December 2019**

### Merry Christmas

We praise the Lord for his goodness to our family. We are so blessed to be serving him! Thank you for your prayers and financial support.

As 2019 comes to a close, I am reflecting on the truth that "the Word was made flesh, and dwelt among us" (John 1:14). It, of course, is not a new truth, but it is one that is impacting me this Christmas season. Our Lord and Savior chose to come to this dirty, nasty, sin-filled world. Why did he do this? So we can have "Peace with God" (Romans 5:1) Through our simple faith, trusting that Jesus paid our debt of sin in full, we, or anyone, can have that peace with God. Why do we keep this truth to ourselves? Whether in south Georgia or Washington state or anywhere, we have a responsibility to share this truth.

We have had a wonderful past two months on deputation. God has continued to show he knows what is best in our lives. We have been praying that we would be at 10% support by the end of the year. We are very close to 9% and God may have answered our prayer, we just won't know all the updated numbers until January!

November began with some relaxation. We spent a week with my extended family in North Carolina. On our way to North Carolina, we were able to share our burden for Enumclaw, Washington at Woodland Heights Baptist Church in Dublin, GA. Following our trip, we gave a ministry update to New Testament Baptist Church in Kinston, NC. We are so thankful for the friendships we are making along the way. We had several other meetings in November, including a "Home Missions Conference" in Pennsylvania. God used Faith Bible Church to meet many family needs that had only been mentioned in prayer!

December was mostly filled with "drop-in" visits, but we were also in several Pastors Fellowship meetings throughout Georgia. We also gave ministry updates to several churches that we visited early this year. We are so thankful for those of you who pray for us and have been able to take us on for financial support. God's working has been so evident in the last several months.

I want to also express a special "Thank You" to our sending church, Grace Baptist Church in Hinesville, GA. They have been so kind to our family with special Christmas gifts and are such an encouragement to us! Thank you all for your continued prayers.
