MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

January & February 2020

Family Fun!

We are so thankful for family time. Because of some friends, Amiee Marie and I were able to spend several evenings together, just the two of us! Time together can sometimes be hard to come by on deputation, but we understand that it is important to take time to enjoy each other's company.

Dear Praying Friends,

Three years ago this February we were in Enumclaw, Washington. We did not fully know God's will when we arrived in Washington, but by the time we left, we understood God wanted us to return. It has been a journey to this point of deputation, but we are so thankful for all that God has been teaching us.

We have some exciting news! Many of you will remember that we had asked for prayer concerning our support level reaching 10% by the end of December. We were right at 10% at the beginning of January! A special thank you to Faith Baptist Church in Westfield, NC and Kerwin Baptist Church in Kernersville, NC for choosing to partner with us within the last two months. We are now over 11% toward being fully supported!

My pastor and I traveled to Heartland Baptist Bible College in Oklahoma in January to attend their Church Planting Conference. There were over 70 church planters there with many more pastors present. I met several pastors from Washington while there and I look forward to seeing how God will work through these new friendships.

February began with a Missions Conference at our sending church, Grace Baptist Church in Hinesville, GA. This year our pastor wanted to focus on the need for church planting in America. It was a privilege to be part of the conference. God worked in people's hearts. The church as a whole has a better understanding of various areas of our own country that are lacking a strong Gospel witness.

We also spent two weeks in the Ocala, FL. We were able to park our trailer at a church in the area and use it as a home base as we visited churches. God brought us in contact with a couple who used to pastor in Washington for over 20 years. We were able to fellowship with this couple and they had a wealth of wisdom to share with us.

Thank you for the part that you have in getting the Gospel to the lost in Washington. God continues to use you through prayer, through your giving, and through encouraging notes to further us on this journey. Only God knows all that will be accomplished for Him because of each of your willingness to be used.

We praise the Lord for:

Over 11% supported!
Seeing God answer specific prayers
A good report from Artiss' Ophthalmologist

We are praying for:

Safety as we travel to the Memphis, TN area in a few weeks
Wisdom concerning a second survey trip to Enumclaw
Our vehicles to continue working normally

In His Service,
