

MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

March & April 2020

Ministry Opportunity

My wife has been burdened for the kids in our local community. Through different interactions over the years, we have made friends with many families in our area in South Georgia. During this time of being stuck at home, my wife wanted to find a way to witness to these families again. She has begun a twice-a-week online kids Bible time called BibleBreak Club. She has already completed her seventh week and we are very encouraged with all the kid's involvement thus far. She has had the opportunity to share the Gospel and we would appreciate your prayers for the salvation of these children and their families.

Dear Praying Friends,

First, I would like to take a moment and express our thanks to all those who faithfully support us both in prayer and financially. Though the last few weeks have been very different than what we planned, God has been abundantly faithful to us.

We were blessed to be part of the Missions Conference at First Baptist Church of Atoka, TN in the first part of March. It was wonderful to fellowship with fellow missionaries and several of the church staff. Due to COVID-19, we finished the conference by live-streaming the services. It was a new experience preaching to most of the congregation viewing only by live-stream. After the conference, we traveled back to our home in GA.

While we are here at home, I am catching up on some different house projects that have been neglected while we have been traveling. Much has been accomplished, and we are thankful to have the house one step closer to being ready to sell when the time comes.

Our missions agency, World Wide New Testament Baptist Missions, hosted a two-week online missions conference of which I had the privilege to be part. We presented our ministry followed by a live interview. If you would like to see the interview it can be viewed at the link below.
<https://wwntbm.com/video-types/online-missions-conference/>

I would also like to bring one other opportunity before you. [WWNTBM](#) and [Ambassador Baptist College](#) have partnered to host a missions trip to Utah. They are going to assist a veteran missionary with door to door visitation, canvassing, a July 4th parade outreach, as well as practical instruction. This is open to anyone 16-30 years of age. My life was greatly impacted by a mission trip I took in my teenage years to Mexico and I know that this trip would be a benefit to anyone who can attend. More information is available at [SeeTheHarvest.com](#).

We praise the Lord for:

- Safe travels back from Tennessee
- Gods blessing the BibleBreak outreach
- God keeping our family healthy, especially Allen

We are praying for:

- God's wisdom as we seek to refill our schedule
- Salvation decisions from BibleBreak Club
- Allen, as he transitions to being back on the road

In His Service,
David & Amiee Marie Brubaker
Allen & Artiss
Missionaries to Washington State

NOTE: If any church would like a personal update video or an online interview with me I would be glad to accommodate you.
