MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

November - December, 2020

Dear Praying Friends,

These past two months have found us closer to home. With Artiss having almost weekly appointments in Jacksonville, FL, we have not been too far from home. Since we had to be more local, it was a good opportunity to update many of the local churches that we visited very early in deputation. The Lord allowed us to drop-in on quite a few new churches as well. We are thankful for the friendships that were made and the kindness of so many. We have heard from several churches in the last two months and we are excited to tell you that God answered our prayer of reaching 20% support by the end of the year. **God supplied over and above that and we are now at 22%.** Praise the Lord!

Many of you have contacted us letting us know you are praying for Artiss and her recovery. Thank you so much for your prayers! There were no major issues with any of the procedures, and as of now, it seems that there has been an improvement in her ability to swallow. The doctors are not sure if it is a permanent fix, but we will have to see. She also had an EEG this past week seeking more information on the neurological side of the swallowing issues and other pain she is having. She has several more tests that are scheduled in the coming weeks. We would appreciate your prayers for those as well.

I love this time of year. I love the cooler weather, the changing colors, and even snow! (Though we have not seen much snow while in south Georgia the last few years). But more than all of those things, I love the visual reminders of Christ's birth here on earth all around us. My prayer is that all of us would use this time of year to share the Good News of Christ's birth, death, and resurrection for us with others. That is what American's need to hear and understand this season.

Please take a moment and pray for the people of Washington state. My burden, my desire, is for these people to hear the Gospel.

Merry Christmas,

David, Amieé Marie, Allen and Artiss Brubaker
