MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

Family Fun!

Near the end of March, we had the privilege of spending time with my cousin Brenna. I had not seen her in about ten years, but God allowed our paths to cross, and the family was so excited to spend time together. We spent an afternoon at a local park and were able to see alligators in their natural habitat. Our kids enjoyed it very much!

Dear Praying Friends

March - April 2021

We are so grateful to our God for all he has done in the last two months. We were blessed to have an almost full schedule. God allowed us to present the ministry in five different states ranging from Pennsylvania to Mississippi and several in between. **We saw our support level grow from 23% to 28% with four new supporting churches in the last two months!**

We have so much to praise God for! Many of you have been following the progress of our daughter, Artiss, and her swallowing issues. Her last procedure was six weeks ago and she has not had an issue swallowing yet! The doctors wanted to get to eight weeks at least before intervening again; we are getting closer every day. Thank you for your prayers!

God has opened a door for us to spend about a month this summer in Washington State, very near our future mission field. We are going to be filling in for a pastor who has to step away for a short time due to some medical concerns. I will have the opportunity to preach every service and go on door-to-door close to the area of Enumclaw. We would love to see God begin to build lasting relationships with people in the city of Enumclaw that we can see grow into salvations and spiritual growth in the future. Please pray as we get the final details in place.

Due to certain requirements, we knew that we were going to have to drive to Washington if this trip was God's will. We had concerns about our previous vehicle making the trip. God miraculously answered our prayers and provided us the ability to purchase a 2012 Chevy Suburban with many fewer miles than our previous vehicle this past week! We know God has great things in store for us and we look forward to sharing what God does in the coming months. Thank you all for your prayers and financial support.

Ephesians 3:20-21 - Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, Unto him be glory in the church by Christ Jesus throughout all ages, world without end. Amen.
