MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

September - October 2021

One of the joys of deputation is meeting other people with similar interests as your own. In one of our recent meetings my wife met a lady who owns a harp very similar to one my wife use to have. It was a joy for Amiée to play the harp for the services.

Dear Praying Friends,

During the past two months, we were once again humbled by God's goodness to us. We have made so many new friends and have seen God provide over and above what we could even comprehend. One of our goals during deputation has been to be an encouragement and a blessing to every church. In some meetings, God allows us to encourage a new friend, sometimes we renew friendships from the past, and other times a song or a message from the scripture is an encouragement. It is our desire to be used by God during this deputation time.

God allowed us to be in several meetings in Virginia, as well as Tennessee, and New York City. We also had the opportunity to participate in our sending church's International Banquet and share a ministry update with them. It was an encouragement to us to see all the new faces and hear what God is doing at our sending church!

Please be in prayer for our daughter, Artiss. You may remember several months ago God opened a door for us to visit an eye specialist in St. Louis, MO. Her eye doctor had told us there was not anything else he could do for her vision and had been encouraging us to look at alternative schooling options for her due to her limited vision. As a last resort, Artiss' eye doctor contacted the specialist in St. Louis, and Artiss was accepted as a candidate for special surgeries. Artiss is scheduled to have two surgeries this trip. The first will be November 9th and a second will be November 16th. There are so many things that could interfere with the surgeries happening as scheduled, and we would appreciate your prayers that everything happens just as God intends.

I would also appreciate your prayers for me and my extended family. After an extended time of failing health, my Grandmother went home to be with the Lord. I am so thankful for her Godly testimony and the impact she had on me for the cause of Christ!

We recently were in New York City for a missions conference. It has been years since having been in the city, the first time since God called me into missions and church planting. As I walked through downtown Manhattan, Chinatown, the subway, Times Square, or the Staten Island Ferry, there was no way to escape the obvious; you are surrounded by people. As John 4:35 says, the fields are white unto harvest. We all must be engaged in sharing the Gospel with others.
