MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

Dear Praying Friends,

April - May 2022

The Spring months have continued to be busy for us. Due to some medical complications with Allen, he and my wife did not travel with us for our April meetings. The time at home was very needful for him, and we are rejoicing that God saw fit to heal him completely during the time of respite.

Artiss and I began April with a time of refreshment with our missions agency family. Over 150 people gathered together in western North Carolina not only to fellowship together as friends but as fellow laborers for Christ. Though this gathering is planned yearly due to the pandemic this is the first time we have seen many of the mission's family in over two years. Not only do we fellowship together but it is a wonderful time to get renewed and refocused on our calling to missions and the Lord's work.

As April continued, God did allow us to be in several meetings, including two Mission Conferences. We are so excited that Central Baptist Church in Mt. Vernon, KY, and Great Hope Baptist Church in Carlisle, PA have partnered with us in getting the Gospel to Washington!

As May came, Allen's medical conditions were cleared by our doctor and we are all traveling together again! We were able to share our burden with churches in Georgia, North, and South Carolina.

God is working in preparing us to move to Washington. There is more I would like to share on this matter but we are seeking God's perfect leading on this matter and I hope to share more soon! I would ask for your prayers specifically for us to know God's timing.

We are so grateful for your faithful prayer and financial support. You are faithfully holding the ropes so we can focus on the burden and mission that God has called us to. Thank you!

In His Service,

David, Amiee Marie, Allen & Artiss Brubaker
Missionaries to Washington State

It was a joy to assist Central Baptist Church in assembling John & Romans for several missionaries around the world. I have helped with this before, but this was Artiss' first time. She was so happy to be helping and making friends while doing it! The best part for me was that we finished a batch going to Sioux Falls, SD to a church planter I have met several times. It's wonderful to know I had a small part in getting the Gospel there!
