## MISSIONARY CHURCH PLANTERS GOING TO ENUMCLAW, WA

Our family has met many people as we have stayed at campsites around the country, but sometimes God brings special people along just at the right time to be an encouragement! Billy and his wife allowed God to use them to pay for our KS campsite for a full week.

Dear Praying Friends,

**August - September 2022**

What a busy two months it has been! I mentioned in our last letter the upcoming meetings in Ohio, Kansas, and South Dakota. We traveled about 6000 miles and were in fourteen different churches during the trip. God has already blessed us in so many ways and several of the churches have already voted to partner with us. We are at 52% and continuing toward the goal of 80+% by our leave date!

We began August in Lodi, Ohio at Victory Baptist Church. They were so gracious to allow us to use their prophet's chamber for several weeks as we had meetings in the area. Pastor Williams and his family were so kind to our family! We traveled next to Gospel Light Baptist Church in Kansas City, KS with Pastor Jared Shipman. Let me tell you, this church enjoys its Missions Conference! Between skits, games, challenges for verse memorization, and visitors, on top of the convicting messages from Pastor Bruce Turner, a lot was happening every night.

After our meeting in Kansas City, KS we parked our trailer at a state park in central Kansas in preparation for our meeting the next Sunday. Over the next several days we got acquainted with our neighbors. Between my kids playing and my wife teaching music lessons on the road, we attracted their attention. God used those interactions for us to form a friendship (See the picture to the left). Please keep this couple and their family in your prayers.

Up next, Faith Baptist Church in Salina KS pastored by Jesse Roland. What a love of fellowship this body of believers has; Our family was certainly loved on! My wife thoroughly enjoyed being able to serve as pianist for the services and was tickled-pink to be shown everyone's puppy pictures. Liberty Baptist Church in Montevideo, MN was our family's next stop. Bret Winters and his family started this church three years ago, and despite some trying times, they are building a wonderful work for our Savior. What an encouragement to see what's being done by God all around our country! Please keep this church in your prayers as they seek to reach the town of Montevideo.

The last leg of this group of meetings was a conference for pastors and church planters at Eastside Baptist Church in Sioux Falls, SD. It was a several-day meeting of networking with other like-minded pastors, gleaning ideas, and being challenged by God's Word. I had the opportunity to share our burden for Enumclaw, WA, and some monies were given toward startup costs!

As we draw closer to our send-out service, we are faced with both the immense reality of all that needs to be done in preparation to move and also the exciting reality that we will be in Washington soon! This has been a calling of God in our lives for years now, and to see it beginning to come to a reality is amazing. Thank you so much for your notes of encouragement, your prayers for my family, and your financial support. We look forward

to God doing great things in Washington because of your faithfulness.

In His Service,
