CHURCH PLANTERS IN THE GREATER ENUMCLAW, WA AREA.

Dear Pastor & Praying Friends;

October - December 2024

Isaiah 9:6 says: “For unto us a child is born, unto us a son is given: And the government shall be upon his shoulder: And his name shall be called **Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.**”

As we finish 2024, I have been reflecting on the past year and all we have seen God do. These names of God exemplify the works we have witnessed Him do in our ministry these past twelve months.

**Wonderful:** One of the joys of pastoring new believers is seeing them understand new truths about God and his Word as we study it together. Over the last year, we have observed many times the “light bulb” turn on. The look on a person’s face when they understand a truth from the Bible; is wonderful, that’s what it is. Our God is becoming Wonderful to the believers here.

**Counselor:** It is not uncommon to find my wife or me out to coffee, meeting with someone from our church or community for discipleship and counseling, often, many times throughout the week. (Amiee currently holds the record for five trips to various stands with different ladies in one day.) For those who have begun a relationship with Christ this last year, we have watched them begin to trust God to be their Counselor. As they study God’s Word, they learn and understand more and more for themselves. I am so thankful that God can be the Counselor to each one of us!

**The Mighty God:** One of our great needs this past year was a more permanent meeting place that would accommodate our numbers. Up until June of 2024, we had been holding services in our fifth wheel, and it was working well enough. God knew we needed other accommodations! Most of our attendees live very close to us, and we need a place that is also nearby. We also knew we could not afford to pay the rent that different possible locations require. After much prayer, we decided to offer our community center about 30% of the rental price. Hallelujah, the Mayor and City Council accepted! Having a building for Sunday morning services is a powerful representation of The Mighty God we serve. This is just one example over the last year of The Mighty God providing more than I could ask or think!

**The Everlasting Father:** As God works, hearts are softened to His truth, and people call out to Him to be their “Everlasting Father.” Being part of God working in people's lives is amazing. **Six individuals have trusted Christ as their Lord and Savior this past year!** Six precious souls that had no hope have a hope that will never fade; they are so excited about it. We are excited too! Excited to continue the work and watch God give the increase. There are so many more that need our Everlasting Father.

July - September 2024

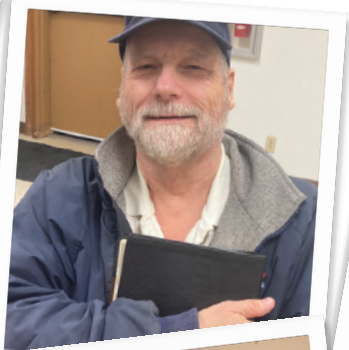

**The Prince of Peace:** We have seen God be the Prince of Peace in the lives of our new believers. Not just the peace that Salvation brings but also peace for all of life's hardships. Through marriage issues, parental separation, medical crises, secrets being uncovered, loss of a job, death of a spouse, and loss of a home... in each situation, The Prince of Peace has been present with and offering peace for our people. The Prince of Peace has also been present for my family, as well; we wouldn't have survived the year without Him.

Thank you so much for your prayers and support over this last year! Several have visited and seen firsthand what God is doing. Many more faithfully check in with us and pray specifically for individuals and the situations that we face. We thank all of you for your faithfulness! Keep serving where God has you; it's worth it! Merry Christmas, and we look forward to this New Year to serve our Lord!

In His Service,

David, Amiee Marie,
