CHURCH PLANTERS IN THE GREATER ENUMCLAW, WA AREA.

Dear Pastor and Praying Friends,

October - December 2025

It has been an extraordinarily rainy few months here in the Pacific Northwest, and we are well into the “rainy” season. People want to huddle inside with a good cup of coffee and pretend that the world does not exist. Thankfully, many relationships have been built with people throughout the community, so there seem to be never-ending ministry opportunities of late.

In October, my wife and I celebrated our fifteenth wedding anniversary, and we were able to spend some quality time together on one of the islands in the northwest corner of Washington State. My wife’s willingness to be involved in so many areas of the ministry and being used of God has made my job easier and has changed lives for eternity. I am deeply thankful for her, and she is a true blessing to the ministry here.

October also brought challenges to our church family. We lost one of our own to Cancer. I had been friends with Robert for several years, and he had helped our family with several projects. Robert was a believer, and he and his wife had been attending services for several months when he got the diagnosis. Things progressed quickly, and Robert entered heaven on the 25th. Robert had served in the military and had made many friends over his life. His family asked me to preach at his funeral, and I was able to share the Gospel with well over 100 of his closest friends.

Before Robert passed, his wife, Penny, decided to ask Jesus to be her personal Savior. Penny had been attending our Ladies’ Bible Study for a year, and enjoyed attending church with her husband. She had spent countless hours with my wife asking questions and hearing God’s Word. Penny’s heart and life immediately changed! Robert was able to see Jesus in his wife’s life before he went to Heaven. Now, he is there waiting for her. Pray for Penny as she grieves and grows.

Our church’s first Lord’s Supper Service was in November. It was exciting to see people learn from God’s Word what the Lord’s Supper represents and God’s intention behind it. We then were able to participate in obedience to the Lord’s command.

Prayer Requests:

- The church and extended family of those who have passed.
- Church people’s health
- Artiss has an upcoming surgery

Praises:

- Penny’s Salvation
- Increase in attendance for services and Bible studies
- Observed spiritual growth

CHURCH PLANTERS IN THE GREATER ENUMCLAW, WA AREA.

October - December 2025

This Christmas season brought good experiences and memories for our people. I focused on the question, "What Can I Give Him?" during our sermons in December, and the people responded and benefited from these sermons. We experienced another sad event in December. One of our original church members passed away just before Christmas. Don Powell was at Mountain Light Baptist Church's first service and rarely missed a service or Bible Study. Please pray for our church and his family as they grieve. He is missed.

God continues to grow the ministry here. Over the past few weeks, we have seen a new family join us for services. At our size, one additional family makes our group seem so much larger! We praise God for each person we have seen saved and those who have grown in the Lord since our move here.

In His Service,
David, Amiee Marie,
Allen & Artiss Brubaker
