

Our Newest Prayer Letter

Dear Pastors, Friends, & Family,

April 2016

Wow, what a month it has been! God has been very good to us, and we are exhausted all at the same time. One of my favorite things about being a missionary is just watching God work. As I mentioned in our last prayer letter, we made the decision to extend our deputation. Instead of leaving in July, we are now leaving in October. Since we made that decision about a month ago, our support has jumped up from around 54% to 70%! I love it when you make a difficult decision, and God shows you favor because of it. Obviously, we want to go to Spain today, but we would much rather be in God's will and go in his timing. We have had some great meetings this month, so I anticipate that our percentage will get even higher. We thank God for all He has done for us recently.

Yesterday, we wrapped up a fifteen day span in which we were in nineteen services, not including the preachers' fellowship we went to. One was in Alabama and the rest were in Georgia. So, I have wore my family (and myself) out this month. This week we have our last meeting in Georgia before heading up to Virginia to begin a conference.

Also this month, my whole family got together for the last time before we head to Spain. My brother and his family flew in from Colorado; he serves as the youth pastor there. My sister and her family drove in from High Falls, GA where they faithfully serve in their church, and my dad and mom drove in from Albany, GA, where my father is the assistant pastor at our home church. It was good to all be together. I am thankful for a good Christian family!

Thank you for your prayers and support,

Markie Bullock
